Description:

House with the possibility of making 2 houses a few minutes walk from the town square. The most remarkable thing about this house, apart from its size, is that it has access by car through 2 streets. The house is now distributed in 2 areas. The house that can be inhabited since it was a residence throughout the life of a family. And the house that was used as a workshop and was never reformed. At the top, the main house, has access by car from...
