Penthouse te koop

Estepona, Costa del Sol, Spanje

ID#: 240286

Beschrijving:

Set within the Torre Bermeja community along the New Golden Mile, this duplex penthouse is a considered study in artful dwelling. Traditional Andalusian architecture meets a highly refined interior landscape. Here, open volume and a distinct spatial rhythm define the 200-square-meter floor plan. It is a home that relies on material honesty and tactile finishes rather than overstatement. The interior is designed around the light interplay that...
