Villa te koop

Casares, Costa del Sol, Spanje

ID#: 195997

Beschrijving:

This project represents the execution of an elegant and unique design, through an honest architecture capable of connecting with the natural environment under the most demanding quality and design standards. Its location is truly enviable, on the first line of Golf but with complete tranquility and privacy, it enjoys beautiful views of the surrounding nature. The villa extends over the plot, organizing itself into three main volumes generate...
